

Meetingpoint

Schoolholm 2b - Groningen

Meetingpoint is a support and information location for everybody that is working in prostitution. You do not need to make an appointment. You are welcome to walk in during weekdays from 12.00 to 17.00.

We offer you a place where you can relax and can get information about matters that can be important for you. Every day our social workers and volunteers are happily welcoming you with coffee, tea and the possibility to have a chat.

Practical matters

Do you need help with filling in forms, finding an accountant, register with the municipality and/or health insurance, or do you have any other questions? We are happily supporting you with these matters!

Psychosocial support

Did you go through bad experiences, or do you have an issue that you would like to talk about? We are here for you! Together we can look for the right support possibilities for you.

Transitioning out of sex work

Would you like to stop with sex work? Together we can look with you for a safe place to live and we can help you with finding new work. On these matters we work together with the organisation Terwille.

Legal matters

Do you want to know what your rights and obligations are working in the Netherlands? As well as other important information connected to working and living here? We can help you with this as well.

Language lessons

Every Monday and Friday afternoon you can walk in for learning Dutch. On Thursdays we offer the opportunity to learn English. You can also drop in on different days to design a personalized plan to learn the basics in Dutch and English.

Computer

We also have a computer present that you can use to for example arrange banking and/or the writing of an email. We gladly support you with this if needed.
